## DEBT TRANSPARENCY PLEDGE

In an effort to introduce more transparency into local spending and debt obligations, College Station Independent School District (CSISD) pledges to post details about CSISD's bond and debt information on the CSISD website no later than one business day after the public notice of the bond election. This information will include details about the bond package(s) up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

CSISD further pledges to notify the Comptroller's office via email to [Transparency@cpa.state.tx.us](mailto:Transparency@cpa.state.tx.us) when the bond election information has been posted to the CSISD website. The email will include a link to the bond election information.
