College Station ISD Student Bus Safety Manual Student Transportation Services College Station Independent School District (979) 764-5440

Dear Parent(s):

The College Station Independent School District provides bus transportation to and from school as a privilege for students residing in the district. Our goal is to safely deliver each child to and from school daily. Your child needs to be registered to ride **EACH** year before school starts. The information is vital to the transportation department in case of any emergencies.

To meet the conditions outlined by CSISD and provide safe, prompt movement of all students, the district has adopted standard regulations and procedures and has provided restrictive measures for violations of rules. They are herein outlined for your information and for guidance of your child. You may assist in doing so by reading the Bus Safety Manual provided. We ask your cooperation with school personnel in developing proper behavior patterns for those students who ride buses.

Transportation to school is a vital component in providing a successful education. CSISD is committed to providing a safe transportation option for all students. Most school districts set travel distances to bus stops. At CSISD we aim to keep travel distances to bus stops around two-tenths of a mile for primary students and a half mile for secondary students. Student travel distance to bus stops may vary due to safety concerns such as narrow or rough roads, inadequate turnarounds, and inability to access certain areas such as gated neighborhoods. Distances within apartment complexes and gated communities may also affect the distance traveled to bus stops. In each of these situations, stops are placed at the nearest accessible location. If you should need information concerning routes or student misconduct on buses, call the Transportation Office at 979-764-5440 or visit us at www.csisd.org.

Thank you,
Shannon Calltharp
Director of Transportation

General Safety Rules:

1. Obey the instructions of the bus driver. At no time will a student act toward, or address comments to, a bus driver in a disrespectful manner, or refuse to cooperate with the driver.
2. Get on and off the bus at your designated stop on your assigned bus.
3. Any stop or bus changes must be submitted in writing and approved by an administrator.
4. It is the responsibility of the PARENT to decide how a student will get to the bus stop (i.e., walking or by car).
5. It is the responsibility of the PARENT to provide transportation to school if a child misses or is suspended from the bus.
6. All Students will follow CSISD dress code policy while on the bus.

Procedures for Waiting for the Bus:

1. Be at your bus stop 5-10 minutes before scheduled pickup time. The driver **will not wait** or honk the horn for individuals or daycares.
2. Stand on the sidewalk or back from the roadway in a safe place while waiting for the bus. Be in plain sight of the approaching bus driver and other traffic. Be watchful and do not play around.
3. Before the bus approaches, form a line and be prepared to load immediately. Be at least ten feet back from the bus stop.
4. Stand still and clear of the bus. Move toward the bus only after the bus has stopped and has opened the door and/or the driver signals you to load.
5. If you miss the bus, go home immediately.
6. Parents should instruct their children on what procedures to follow if the bus is missed.

Loading the Bus:

1. Do not push or shove.
2. Stay out of the bus "Danger Zone" (10 ft. on the side, 10 ft. in front and never behind). Wait until the door opens or the driver gives the signal before approaching the bus.
3. Use the handrails and steps. One step at a time.
4. Go directly to your assigned seat. The bus will not move until all students are seated. Delays affect traffic and schedules.
5. The driver **will** assign students' seats.

Conduct on the Bus:

1. Always remain in your assigned seat.
2. A student shall not refuse to sit in an assigned seat or deny another student a place to sit.
3. Normal conversation is permitted; any loud noises that may distract the driver and create an unsafe condition will not be tolerated.

4. Scuffling, fighting and the use of profane or vulgar language and gestures are forbidden.
5. Do not throw objects inside or out of the bus.
6. Do not litter, mark, cut or scratch any part of the bus. The student(s) responsible for damages will not ride the bus until the school district has been compensated for those damages.
7. Students should only use the emergency and exit door controls during supervised drills or actual extreme emergencies.
8. Students shall never attempt to operate the passenger door or other controls except in case of extreme emergency.
9. Students shall face forward for the duration of the trip and shall keep their feet in front of them and out of the bus aisle.
10. Electronic devices, personal telecommunications, or any device with a camera may not be used to take pictures. If listening to music or playing games, earbuds must be worn.

Getting off the Bus:

1. Stay seated until the bus is completely stopped at your designated stop and the door has been opened.
2. Use the handrail and take one step at a time when leaving the bus.
3. Wait for your turn to leave the bus. Pushing and crowding will only slow down exiting the bus and may cause an accident.
4. Stay out of the bus "Danger Zone" (within 10 ft. of the bus).
5. If an article drops or rolls near or under the bus, **do not go after it!** Go to the bus door and alert the driver and ask the driver for help.

Pre-Kindergarten & Kindergarten/ 1st & 2nd Grade Students

Parents, or a designated adult, **must** be at the bus stop to receive PK and K students. 1st and 2nd grade students may be let off without an adult present if a waiver has been signed by a parent or guardian. The parent or designated adult **must** show a state or government issued identification to the driver to receive their students. If no one is there to receive the student, they will be returned to their campus. **After a child has been returned to campus the second time, each additional return to campus will cause the student to lose their transportation services for (3) three days.** It is the responsibility of the parent to see that students who are returned to school are picked up.

Designated Stop:

Students will be picked up and dropped off only at their designated bus stop. After ten consecutive days of not using the bus service, that service may be discontinued. Only **one location** for pick up and **one location** for delivery will be allowed. Any request for change must be made to and approved by the campus of attendance, and they will inform transportation of the

authorized change. Requests received after 12:00 noon will be processed the following day. Multiple changes confuse the children and staff.

Crossing the Street or Highway:

1. All students living on the left side of the roadway shall exit the bus and move to a point 15 feet in front of the right bumper and wait for the driver to signal that it is safe to cross.
2. Check in both directions and walk directly across the road.
3. **Never** cross the road behind the bus.
4. **Caution!** Be alert for the vehicles that do not stop when the bus is loading or unloading students.
5. Obey all traffic signals and signs on your way to and from the bus stop.

Prohibited Items:

1. Tobacco or vape products, matches or cigarette lighters.
2. Any animals or insects, dead or alive.
3. Glass containers, skateboards, baseball bats, ropes, chains, weapons, explosive devices, or aerosol containers.
4. Alcoholic beverages, drugs, or chemicals.
5. All items, including band instruments, must be kept on the student's lap or within **their** seating compartment and may not deny another student a seat, block the aisle or an emergency exit.
6. Food, chewing gum, and drinks other than water are not permitted on the school bus.
7. All items listed in the student handbook for their school of attendance.
8. The district prohibits students from using cameras or cell phones to take pictures while on school property or while attending school-sponsored or school-related activities on or off school property.
9. No headgear of any type will be allowed on the students' head while on the bus. We need to be able to identify all students while on the bus.
